

ALEXIS 10 YEARS OLD

Burkitt's lymphoma

The foundation I represent

Diagnosed in
February 2014

Treated at **Centre de cancérologie Charles-Bruneau at CHU Sainte-Justine**

I had a
TUTOR DURING HOSPITAL
treatments

I was hospitalized for
4 MONTHS;
hospital appointments
are now further apart

My disease accounts for **1 to 2%** of all lymphoma cases

My remission should last 2 years

MY DISEASE IS BEING TREATED
EFFECTIVELY WITH AGGRESSIVE CHEMOTHERAPY

24h
TREMBLANT

MY FAVOURITE SPORTS ARE:
ALPINE SKIING AND BASEBALL

BLUE
IS MY FAVOURITE
COLOUR

LATER IN LIFE
I WANT TO BE A
DOCTOR
TO HEAL PEOPLE LIKE ME

MY BIGGEST
DREAM IS TO
**SKI IN WESTERN
CANADA**

WHAT I LOVE MOST IN THE WORLD IS
MY FAMILY
