

LILIE 8

YEARS OLD

Acute lymphoblastic leukemia (ALL)

The foundation I represent

Diagnosed in
July 2014

Treated at **Charles-Bruneau Hematology-Oncology Day Treatment Centre at Montreal Children's Hospital**

1/400 DEVELOPS CANCER BEFORE THE AGE OF 15
CHILDREN

I HAVE

lumbar punctures
every 3 months

hospital treatments
every month

chemo
every day at home

ALL forms in the blood's stem cells

Immunotherapy*
is the most important advance made in cancer research in the past decade

**strengthening the body's defences against malignant cells*

24h
TREMBLANT

I LIKE **TENNIS, BIKING AND SKIING**

MY BIGGEST DREAM
TO GO TO HAWAII

I HAVE TWO DOGS

MIMOSA & MARIUS

I WANT TO BE A
CHEF
WITH MY OWN RESTAURANT

MORE THAN ANYTHING, I LOVE
MAKING RECIPES

 Get to know me a little more
